

BCS Wingara Hamlet

At BCS Wingara Hamlet we understand the importance of home.

We know that it's never easy for people to leave their family home and move into a retirement village. That's why for more than 40 years we have been passionately committed to creating a caring community that people can call home, in a new season of life.

BCS Wingara Hamlet is operated by leading not-for-profit Christian care provider, Baptist Community Services - NSW & ACT (BCS). The Village offers an independent lifestyle to active seniors and is a great place to make new friends and enjoy life.

Based in the beautiful Blue Mountain region of Springwood, the village offers comfortable retirement living in a peaceful green setting. Your new home is in a great spot, close to public transport, the Great Western Highway, health services, scenic walking trails and serviced with two shopping centres.

*A great place
to call home*

**"I haven't
been lonely since
moving to the village,
I'm so happy at Wingara."**

Our community

Wingara Hamlet has a strong community atmosphere and offers 40 one-bedroom units, with lifestyle options for couples or singles. Community life at Wingara is serviced by the village bus, social outings and the shared community room.

Our care

At Wingara we are committed to your care and well-being with services including an on-site manager and emergency monitoring alarms to enhance your security. The village is ideally located close by to local health services.

Our Christian heartbeat

As a Christian care provider, BCS values the importance of not only meeting our clients' physical needs, but also their emotional and spiritual needs. A village chaplain is available and regular on-site church services are held.

Want to find out more about making Wingara Hamlet your new home? Please call us today to arrange a personal inspection for you or your family member.
